Re: Public Records Request received March 8, 2019

Dear Susan Vaughn:

This letter further responds to your public records request received by the Mayor's Office on February 8, 2019 via email at 2:49 p.m. Specifically, you made the following request:

"copies of all communications between the Office of the Mayor with other mayoral staff, with staff at the SF Planning Department, with SF Municipal Transportation Agency staff and members of the SFMTA Board of Directors, and with representatives of outside organizations such as the Bay Area Council, the Silicon Valley Leadership Group, Graton Casino and other casinos, tour bus companies, and other private transportation services (such as hospital and Wilson & Sonoma shuttles) regarding the creation of transit-only, bus-only, and/or red lanes in San Francisco. I request all emails, written notes, and text messages among other forms of communication from December 1, 2017 through March 8, 2019."

Supplemental Response Dated March 25, 2019

Thank you for your inquiry. We previously responded to your request on March 11, 2019 with responsive documents and also invoked an extension of time to continue our response for up to 14 days pursuant to Government Code § 6253(c) and San Francisco Admin. Code § 67.25(b) because of the need for consultation with other city departments.

We have continued our search and hereby produce the additional responsive documents located in the possession of the Mayor's Office. Please also note that certain communications have been withheld as draft recommendations of the author. *See* Admin. Code § 67.24(a)(1); Gov't Code § 6254(a).

Please also note that we are responding on behalf of the Mayor's Office only, and not on behalf of other city departments. If you have any questions regarding your request or would like to send another sunshine request, please do not hesitate to contact the Mayor's Office at mayorsunshinerequests@sfgov.org.

Sincerely,

Hank Heckel
